

INTRODUCTION LETTER

We, Sasra Solutions provide multifaceted support to Pharmaceutical space. We operate from Hyderabad in India. Our key support verticals are technical & regulatory remediation consultation, training and manpower consultation.

We work with organizations in offering manpower resources at operator , middle and higher management levels. We select and always provide professional personnel who strive for excellence and will not settle for anything less than talented, dedicated, responsive, and effective individuals.

We provides relevant profiles from vast database to employers and relevant jobs to jobseekers across industry verticals, experience levels and geographies. We maintain satisfaction of our clients and candidates through our quality service levels and highest business ethics.

We have a network of colleges for which we provide training to fill the gap between Academics and Industry , hands on training on equipments (Lab) based on the requirements from the clients. We select the candidates (fresher's) through a process of written test and interviews and send them to the industries as per their requirement.

There is a 2-layer quality assurance process by our Quality Managers before a recruiter finally submits the resume. Our technical expertise makes it sure that every phase of full-cycle recruiting being executed methodically with extreme monitoring.

We would be delighted to offer any of our services that best suits the needs and will be glad to have a call or a meeting to discuss on any of the above.
